RE: Web Developer

Dear Hiring Manager,

I am an experienced Web Developer seeking an opportunity at your company. I have a strong track record and am looking forward to bringing my skills and abilities to the team.

Reliable Web Developer with 2 years of experience in the field. In all my work experiences, I have been effective in meeting development targets and highly cooperative when working with team members. I complete clean, error-free designs and support all kinds of projects with my abilities in web development, data collection, and website optimization. Highly knowledgeable in documenting bugs and testing strategies to evaluate new features.

Please take a look at my enclosed resume for more details about my work experience and qualifications. I'd really like to speak with you more about the position, and I look forward to hearing from you soon.

Sincerely,
Abraham James
