ABRAHAM **JAMES**

Lagos Nigeria | 2348095687112 | abraham.o.james442@gmail.com

PROFESSIONAL SUMMARY

Outcome-focused and a potential web developer with 2 years of experience in designing and implementing responsive, user-friendly websites and web applications. Proficient in front-end development technologies like HTML5, CSS3, and JavaScript, with expertise in popular frameworks like React and Angular. Strong understanding of web design principles, usability, and performance optimization. Demonstrated ability to collaborate effectively with cross-functional teams and deliver projects on time and within budget. conditioned to finding possible wayout and debugging, with a keen eye for detail, and committed to staying up-to-date with the latest industry trends and technologies. I am seeking to leverage my skills and expertise to create innovative and impactful web solutions.
